FLINT'S FINE FURNITURE COLOR AND HARMONY SECRETS.

Color harmony is important in sum-mer furnishings. Furniture must give the key of color; hangings and wall decorations are accessory backgrounds.
Our floors are palettes with the rich,
deep reds and shadowy greens of rush
and enamelled reed; the dainty paintings which grace our enameled bedroom and drawing-room furniture—the
moonlight vallow of the manie the moonlight yellow of the maple—the glint of sunshine in birch and golden oak—give all the color keys one would wish. But more than color beauty—even factory prices are now reduced to clear our floors before stock-taking. "BUY OF THE MAKER"

O'Neill's

The Last and Best Bicycle Offer of the Season!

More as an advertisement than to make money out of it, for at the prices we quote below one will readily see there is nothing in it for us, save the value of the advertising it gives us. Here are the particulars. We offer to-day

790 High-Grade Bicycles

At Less than Cost of the Raw Materials!

We won't tell you who made these wheels. The manufacturers don't want their names used, and we're not surprised, for never in the history of the Bicycle Trade have High-Grade Wheels been sold so cheap. A glance at them, however, will tell you they are by far the best values ever offered in this country. Every wheel bright and fresh from the makers, complete in equipment and ready for the road.

Men's Wheels, 20, 22 and 24 inch Frames. Ladies' Wheels. 21 and 23 inch Frames.

A Guarantee for the calendar year goes with each wheel
